# My symptoms

| Symptom | Severity (1-10) | Impact on my life |
|---------|-----------------|-------------------|
|         |                 |                   |
|         |                 |                   |
|         |                 |                   |
|         |                 |                   |
|         |                 |                   |
|         |                 |                   |
|         |                 |                   |
|         |                 |                   |
|         |                 |                   |
|         |                 |                   |
